BDBF Senior Associate, Clare Brereton, will be speaking at Westminster Insight's Mental Health and Wellbeing at Work Conference on 10 October 2022. With the pandemic and the cost of living crisis both disproportionately affecting mental health, staff wellbeing must be a top priority for employers.

This hybrid conference will discuss best practice in mental health support in the workplace and explore how to create a positive working environment for all staff. Clare will be taking part in an interactive interview on the employment law relating to mental health and employers' legal responsibilities. [Register here](#).
