The pharma industry, like many other industries has seen unprecedented change and demand during the pandemic. This can lead to mistakes and misbehaviour. Whistleblowers play an

important role in ensuring wrongdoing does not go unnoticed.

Paula Chan was pleased to speak to European Pharmaceutical Contractor (EPC) about the steps individuals can take to gain the protection of whistleblowing law and what to do if they are victimised.

You can read the article here: https://en.calameo.com/, alternatively please click the image to view the PDF.
